**Request to substitute claims for
Application 10,083,771
Applicant, Huey Thomas Crochet
Examiner, Kurt Rowan
Art unit, 3643**

Sir,

The applicant submits that claims, 1- 18, have previously been cancelled regarding application 10,083,771 and respectfully requests that current claims 19 and 20 also be cancelled and replaced by new claim 21.

A claim 21 was sent in for the examiners review and withdrawn by said applicant in a following letter to said examiner whereupon a letter of non-compliant amendment was received by said applicant which was withdrawn by director Hajec for being in error.

Said claim 21 for review has been withdrawn and should not be confused with the new claim 21 being substituted for current claims 19- 20.
